Thank you for your interest in operating a vendor booth at the Trinidaddio Blues Fest! Trinidaddio Blues Fest will take place in beautiful Central Park. After many successful years, the event, nominated for Best Blues Fest, US has become a top National Blues Fest. 2019 will once again reach a new mark of excellence in Trinidad's foremost annual event!

The Trinidaddio Blues Fest is a fund-raiser for local non-profits and over the past years has never failed to provide much needed assistance for these deserving groups. With steady growth since its inception in 1999, attendance figures are again expected to be over 5,000 for the 2019 festival.

The 2019 Trinidaddio Blues Festival will have no more than 7 Food Booths and 2-3 Beverage Booths.

Food booths will be selected based on menus and references. Past performance at the festival of a returning vendor is also considered. Every effort is made not to have duplicate food or beverage items. For instance, there will not be two booths serving turkey legs, or two booths selling lemonade.

The Trinidaddio Blues Fest is the only vendor of official Trinidaddio Blues Fest merchandise.

The date your application is received does not guarantee acceptance, nor does your participation in previous festivals.

You will know if your application has been accepted if your check for the vendor fee has been cashed; conversely, if your application is not accepted your checks for both the vendor fee and deposit will be returned.

BOOTH REQUIREMENTS:

The appearance of your booth, and presentation of your merchandise affects both the success of the festival, as well as your own. We want to see that everyone has a pleasing "Daddio" experience.

The festival staff determines booth placement. Placing your booth in any other location may result in loss of deposit and eviction from the festival.

■ Booth Space for **Food / Beverage** booths is limited to a one 10' L x 20' W x 10' H booth (including all accessories and protuberances) of sufficient quality to withstand wind, rain, hail and other inclement weather. Come prepared for all types of mountain weather. If you require a 220-volt electric supply, please indicate as much on the application form, and include the proper fee. You will need to have your own **SOOW** or similar power cable of adequate capacity to serve your needs. Festival sub panels may be up to 50' away.

■ **ALL FOOD BOOTHS MUST BE ADA COMPLIANT! You must have at least one serving window that is no more than 36" above the ground.**

■ When using a tent(s) for your Food/Beverage booth, for both the appearance of the festival, and for your safety and the safety of others, we **insist** you have four sides for your tent(s), the fourth side to cover the front of your tent at night, should it be set up the night previous to the fest, or by necessity because of weather conditions. The number of sides used will be determined by need and weather.

■ You must provide and set up your own lighting. **Generators are not allowed** except for emergency backup situations. Battery powered lighting is acceptable and encouraged; however, keep in mind, **ALL VENDORS MUST REMAIN OPEN DURING THE ENTIRE FEST!** Leaving the Fest before the crowd has dispersed and the field lights have come on, **WILL RESULT IN LOSS OF DEPOSIT AND POSSIBLE FINES!** Low voltage, LED, TFL or other energy efficient lighting is required.

■ Your booth must remain open during the entire festival (remember, gates open at 11 am). You may not leave early, nor will vehicles be allowed on the site until the field lights are turned on and the crowd has dispersed. Leaving early will result in loss of deposit.

- Please staff your booth with personable, friendly workers! Remember, smiling is contagious. Poor attitudes will not be tolerated, and could result in loss of deposit and eviction from the festival.
- Your booth must be neat, attractive and well maintained. You must have a professional quality sign... **No neon lights or flashers.** Banners and flags are encouraged.
- You are responsible for setting up, maintaining, and removing your own booth, your merchandise, and your trash. Your booth must be removed and the area cleaned up **before 10 am, Sunday, August 25, 2019**. Failure to do so may result in loss of deposit and possible additional fees for cleanup.
- **All booths must have an easily accessible 5 lb. fire extinguisher with valid inspection tag attached.**
- Food vendors may use the area behind their booth as additional prep area. If you are not sure if we will accept your booth, please send us a picture.
